

10% discount on Mac and 5% on iPad!

Our school is signed up for the Amac Onderwijskorting (Amac Education Discount). With this education discount you get the best deal on Mac & iPad all year long on the Amac website.

All you have to do is create an Amac account with your email address from our school. Once logged in, the education discount is immediately visible and applicable to all Mac computers and iPads.

Go to <https://www.amac.nl/account-aanmaken> and create an account with your school email address. The education discount will then be processed automatically with your order.

Please note that the Amac Education Discount is only valid online. Therefore, this education discount does not apply in Amac stores. However, you can place your order online and then pick it up in one of the stores.
